Re: Hammonds Plains Road Speed Limits

During the North West Community Council November 25, 2010 meeting, members of the public expressed concern with respect to the speed limits along the Hammonds Plains Road. Members of the public further noted the importance of continual enforcement of the speed limits.

Attached are copies of the correspondence submitted by members of public that were discussed during the Community Council's November 25th meeting.

The Community Council passed a motion recommending that speed limits be reduced between Glen Arbour and Pockwock Road to 50 km per hour, 60 km between Glen Arbour and Crestfield and 50 km from Crestfield to Karney Lake Road.

The Community Council recognizes and appreciates that enforcement is being upheld in this area.

Sincerely,

A handwritten signature in black ink that reads "Bob Harvey". The signature is written in a cursive style with a long, sweeping underline.

Councillor Bob Harvey, Chair
North West Community Council
