Honourable Charlie Parker
Minister of Natural Resources
Nova Scotia Department of Natural Resources
PO Box 698
Halifax, NS B3J 2T9

Dear Minister Parker:

Re: Request for Designation of Park Land

The North West Community Council received a presentation from the Sackville Rivers Association, Friends of First Lake Society and Second Lake Regional Park Association respecting Halifax Regional trails during its March 24, 2011 meeting.

During the discussion, it was noted that the next phase of the Sackville Trails Associations is to:

- build the Sackville Greenway Trail along Little Sackville River
- complete the loop from Glendale to Sucker Brook around First Lake
- complete Lakeside Trail and start Canopy Creek Trail

The Community Council requests that consideration be given to formal designation of park land within the Second Lake Park lands under the Department of Natural Resources.

Attached is a copy of the Sackville Trails Associations' presentation that was before the Community Council during its March 24th meeting for your reference.

Please contact me at 864-4160 or harveyb@halifax.ca if you have any questions.

Sincerely,

Councillor Bob Harvey, Chair
North West Community Council
