Date of Community Council Meeting: October 25, 2012

Subject: Request for Update on Changes to Mobile Home Park By-laws

Motion for North West Community Council to Consider:

“That North West Community Council request that staff investigate and provide a status update on changes to the HRM mobile home park by-laws.”

Reason:

At the August 9, 2012 North West Community Council meeting an inquiry was made on the status of the changes to the mobile home park by-laws to which the Community Council informally asked staff to investigate and provide and update. Subsequently, staff has indicated that they require a formal motion to provide this information.

Outcome Sought:

A staff report to be submitted to the Community Council.
