### BACKGROUND

1. January 28, 2010 - Community Council passed a motion requesting that staff investigate opportunities to consider additional signs for business/property owners with multiple facades facing a public street
2. February 2010 - Staff prepared an information report outlining requirements for signage as per the Sackville Drive Secondary Planning Strategy and Land Use By-law. The report also provided a list of alternative options for business/property owners seeking additional signage.
3. March 25, 2010 - Community Council was presented with the information report. The Chair requested a copy of the information report be forwarded to the Sackville Drive Association and requested that staff contact the Association to arrange a meeting to discuss available options under the existing Sackville Drive Land Use By-law.

## **DISCUSSION**

On April 22, 2010, a meeting was held between staff and Michelle Champriss, Executive Director of the Sackville Drive Business Association, to discuss the information report and potential options for business/property owners seeking additional signage.
