**Subject: Creation of a Planning Advisory Committee (PAC)**

**Motion for consideration:**

That Halifax & West Community Council direct staff to establish a Planning Advisory Committee (PAC) encompassing District 7 (Peninsula North) *and* District 8 (Peninsula South – Downtown) with the exception of the HRM by Design area. All planning applications with Public Information Meetings (PIMs) after September 1, 2013 will be considered by the PAC.

To do this, Community Council must suspend the rules in order to rescind the following motions that were passed on May 13, 2013:

- That staff initiate the process to establish a Planning Advisory Committee for District 8
- That staff initiate the process to establish a Planning Advisory Committee for District 7

**Reason:**

After consulting with staff, it was agreed that a single PAC would be more effective and sustainable than creating two.
