**Subject: Restricted Pet Leash Length in Urban Areas**

**Motion for Halifax & West Community Council to Consider:**

That Halifax & West Community Council request a staff report exploring the possibility of restricting leash length in urban areas in order to reduce a pet's contact with private property.

**Reason:**

This issue was raised by a resident of District 12 who does not like that extendable leashes enable dogs to wander onto his property.

Deputy Mayor Rankin

District 12
