

# Index to City of Halifax Council Minutes

June 18, 1880 to July 15, 1884

This alphabetical index was created by the City Clerk in the 1880s. Note that the entries are not that helpful or intuitive (e.g. all Letters are under "L" all Reports are listed chronologically under "R" and "T"; many letters of the alphabet have no entries). Browsing through the entire index is the most thorough way of accessing the minutes.

Entries refer to the page number in the subsequent minutes (see number in the upper corner on each page).
