Alderman Dennis Connolly Alderman Darrell Wentzell Alderman Leo C. Hogan The Mayor The City Clerk

His Worship the Mayor pointed out that this is by no means a complete list of the membership of the various committees, boards and commissions of the City, but nominations to the different bodies to replace the retired members of Council and to fill the vacancies caused by the term of office expiring.

In reply to a question from Alderman MacKeen, His Worship the Mayor advised that it is his intention to continue with the Mayor's Committee on Welfare appointed by the last Council.

His Worship the Mayor went on to say that he hopes

in the near future to have a Committee appointed to review the terms of office of all the boards and commissions of the City in an attempt to streamline the operations of those bodies.

In reply to a question from Alderman Connolly, His Worship the Mayor said that it would not be in order to entertain a motion with respect to the new committee at this time, but as soon as the nominations have been dealt with such a motion could be considered.

It was then <u>MOVED</u> by Alderman Moir, seconded by Alderman Connolly that the appointments to the various Committees, Boards and Commissions of the City, as submitted by His Worship the Mayor, be accepted.

It was <u>MOVED in Amendment by Alderman Sullivan</u>, seconded by Alderman Meagher that the appointments, as submitted by His Worship the Mayor, be accepted with Dr. Charles Gordon replacing Mr. Elliott Spafford on the Point Pleasant Park Commission.

Alderman Sullivan spoke to his Amendment by saying that Dr. Gordon is intensely interested in Point Pleasant Park and would be a very able member of the Commission. He said that he intended no affront to Mr. Spafford who has served on the Commission ably and well.

Some discussion ensued on this Amendment and Alderman MacKeen asked the City Solicitor if he could rule that he has a conflict of interest in this matter and could abstain from voting.

The City Solicitor ruled that there is no conflict of interest and the Alderman should vote on the matter.

After further discussion, the <u>Amendment was put</u> and lost, four voting for the same and six against it as follows:

For: Aldermen Meagher, Stanbury, Stapells and Sullivan

Against: Aldermen Bell, Connolly, Hogan, MacKeen, Moir and Wentzell

The Motion was then put and passed unanimously.

It was then MOVED by Alderman Connolly, seconded by Alderman Meagher that a Committee be established to study and review all the Committees, Boards and Commissions of the City and to make a recommendation to Council.

Considerable discussion ensued on the motion and questions were raised as to the terms of reference for such a Committee.

Alderman Meagher felt that the Committee should be

appointed by the Chair as soon as possible.

After further discussion, the motion was reworded as follows:

MOVED by Alderman Connolly, seconded by Alderman Meagher that a Committee be appointed to review the structuring of all the Committees, Boards and Commissions and to report back to City Council.

His Worship the Mayor said he would hope to appoint such a Committee, if the motion is approved by Council, at the next regular meeting of Council.

The motion was then put and passed unanimously.

4:35 p.m. Council adjourned.

QUESTIONS

Question Alderman Hogan Re: Garbage Regulations

Alderman Hogan referred to the Garbage Regulations which he understood stated that garbage should not be set out on the street before 11:00 p.m. the day before the collection and he expressed some concern about garbage placed on the street prior to 7:00 p.m. He asked if the City Manager could confirm his understanding and what could be done about it.

The City Manager said that he would have to check the regulations and would take the question under advisement.

Question Alderman MacKeen Re: Traffic Island Costs - Tower Road and Inglis Street

Alderman MacKeen asked if the City Manager has yet obtained the costs of the installation of the traffic island at the intersection of Tower Road and Inglis Street and the costs of the installation of traffic lights at the intersection of Morris Street and Hollis Streets.

The City Manager replied that he has received some figures but wishes to check them further before passing the information on to the Alderman.

Alderman MacKeen asked that he may receive the intormation as soon as possible.

Question Alderman Sullivan Re: Demolition of Building on Allen Property

Alderman Sullivan referred to comments that were made during the public meeting held to discuss the development of the City Prison Lands last Tuesday evening with respect to the dangerous condition of the building on the Allen Property and he asked if something can be done about it very quickly.

His Worship the Mayor reported that work has now begun on the demolition.

Alderman Moir asked if the City Manager could advise Council as to whether or not the previous Council removed the Fall Clean-Up Week from the Budget in the Spring, the costs involved in a Clean-Up and if at least two Clean-Up weeks can be included in the budget for the coming year.

The City Manager said he would report on this matter.

Question Alderman Moir Re: Winter Parking Regulations

Alderman Moir asked if serious consideration could be given to changing the Winter Parking Regulations which eliminate overnight on-street parking after a certain date. He said that in some cases this poses a hardship and he suggested that perhaps the time could be extended up to the first snowfall or parking permitted on alternate sides of the streets.

Question Alderman Connolly Re: Traffic Light Installation -Inglis and Robie Streets

Alderman Connolly asked if the City Manager could report on the installation of traffic lights at the corner of Inglis and Robie Streets.

Question Alderman Wentzell Re: Independent Appraisals -Policy of the City

Alderman Wentzell asked if it is the policy of the City to obtain two independent appraisals when property is required for projects such as Kline Heights.

The Director of Development advised that the City has been engaging only one appraiser for the bulk of the Kline Heights acquisitions since most of them have been partial takings only, where buildings are involved it is usual to engage two independent appraisers.

Christmas Holidays

A report was submitted from the City Manager respecting the above matter.

The City Manager briefly outlined the contents of the report to members of Council.

MOVED by Alderman Moir, seconded by Alderman MacKeen that:

- In view of the fact that Christmas Day falls on a Saturday, Boxing Day on a Sunday and New Year's Day on a Saturday, Civic employees be given time off on December 27th and 28th, 1971;
- There be no more early closing for the annual Christmas Party as has been the practice for a number of years.

Alderman Hogan spoke against the motion.

The motion was then put and passed with Alderman Hogan voting against.

Submission - C.N.R. Re: Hotel Nova Scotian

A letter was submitted from the C.N.R. relating to the Hotel Nova Scotian.

MOVED by Alderman Hogan, seconded by Alderman Connolly that the submission of the C.N.R. be referred to the Tax Concession and Grants Committee for consideration. Motion passed.

Report - City Prison Lands

Reference was made to the Public Meeting held last evening with residents of the area adjacent to the City Prison Lands and the apparent general agreement with the proposed development plans.

The Director of Development briefly reviewed the recommendations of Staff as set out in the Staff Report dated October 5, 1971. He suggested that the Agreement which has to be negotiated should place emphasis on the development of the recreation areas and of the Allen Property.

MOVED by Alderman MacKeen, seconded by Alderman Sullivan, that the proposal submitted by Convoy Projects Limited for the development of the City Prison Lands, as amended by Alternative (A) attached to the Staff Report dated October 5, 1971, be accepted in principle, subject to negotiation of a satisfactory agreement between the Company and the City; such agreement to place emphasis on the development of the recreation areas and the Allen Property.

Alderman Sullivan said that although the majority of persons who attended the Public Meeting were in agreement with the proposed development, there was a minority group who did not agree and he hoped that Staff would take into consideration in their negotiations with the Developers the comments of the minority group.

The motion was then put and passed.

Possible Acquisition - Former Connaught Battery Site

A Confidential Report was submitted from Staff relating to the above matter.

After a short discussion, it was agreed that the members of Council should discuss the matter privately.

9:05 p.m. Council adjourned to meet privately on this matter.

9:20 p.m. Council reconvened, the same members being present.

MOVED by Alderman Stapells, seconded by Alderman Wentzell that the recommendation of City Staff be approved. Motion passed.

Parking in Vicinity of Universities

Alderman Moir referred to the major problem of parking in the University areas and to a newspaper article in today's paper. He contended that something must be done about the problem as quickly as possible and it was MOVED by Alderman Moir, seconded by Alderman Connolly that His Worship the Mayor, in conjunction with the City Manager and City Staff report to the Committee of the Whole Council at the earliest possible time with respect to the whole matter of parking in the University Area, with recommendations as to the composition of a special committee to discuss the problem, its terms of reference and timing of activities.

Alderman Connolly, in seconding the motion, suggested that the Committee be composed of representatives of the student bodies of the Universities, the administrative Staff, City Staff and citizens in the area. He also suggested that all other problems associated with the Universities such as littering and noise be discussed at the same time as the parking problem.

Alderman Sullivan referred to certain parking problems and traffic difficulties in Ward 5 and cited the following streets as areas of extreme concern - Russell Street, Young Street, Kaye Street, Devonshire Avenue and Gottingen Street.

It was MOVED in Amendment by Alderman Sullivan that the Committee which has been suggested also consider the traffic problems in the areas which he has listed.

After some discussion on the validity of the Amendment, His Worship the Mayor ruled it out of order since the motion deals with a specific location only.

After further discussion, the motion was put and passed.

It was then MOVED by Alderman Sullivan, seconded by Alderman Meagher that the same Committee or another Committee look into the traffic problems on Russell Street, Young Street, Kaye Street, Devonshire Avenue and Gottingen Street.

Alderman Stapells contended that there could conceivably be ten different Committees all studying traffic problems in the different Wards as he felt that all members of Council could cite areas of concern to the residents of their particular Ward.

His Worship the Mayor agreed that this could well be the case and he suggested that perhaps it would be a far better idea to convene a special meeting when members of the Traffic Engineering Staff could be in attendance to answer any questions from Council members and to discuss the many areas of concern.

The City Manager agreed that a special Committee of the Whole meeting to discuss all areas of concern with respect to parking and traffic in the City would be a useful exercise. He did not think that a Committee as is proposed for the University Area should be charged with discussing any other areas of concern and should remain specific.

After further discussion, the motion was put and resulted in a tie vote as follows:

For: Aldermen Bell, MacKeen, Meagher, Stanbury and Sullivan

Against: Aldermen Connolly, Hogan, Moir, Stapells and Wentzell

His Worship the Mayor cast his vote against the motion and declared same lost.

9:37 p.m. Council adjourned.
