North West Planning Advisory Committee
February 6, 2008

TO: Chair and Members of North West Planning Advisory Committee

SUBMITTED BY:

Paul Dunphy, Director, Community Development

DATE: January 4, 2008

SUBJECT: Case 01109 - Discharge of Development Agreement, 209 Sackville Drive, Sackville

ORIGIN:

Application by Sportwheels (1996) Limited to discharge the Development Agreement for 209 Sackville Drive.

RECOMMENDATION:

It is recommended that the North West Planning Advisory Committee recommend that North West Community Council approve the discharge of the existing development agreement of May 21, 1991, between Sportwheels Limited and the former Municipality of the County of Halifax as outlined in the discharging agreement appended as Attachment A.

BACKGROUND:

Site Description and Location: The subject property is located at 209 Sackville Drive in Sackville (see Map 1).

Current Land Use: The property contains a commercial building which consists of approximately 9212 square feet of floor area over two floors. The building is occupied by Sportwheels, a sporting goods retailer.

Designation and Zoning: The property is designated Pinehill-Cobequid (Map 1) and is zoned PC (Pinehill-Cobequid) Zone (Map 2 and Attachment C) within the Sackville Drive Secondary Planning Strategy. The existing Development Agreement (Attachment B), signed May 21, 1991 (previously approved January 27, 1986) permitted an expansion of the building and parking lot.

DISCUSSION:

The existing Development Agreement limits the size of the building thus limiting the ability of the land owner to expand the current building beyond its current size. Since the negotiation of the Development Agreement in 1986, the Sackville Drive Secondary Planning Strategy has been adopted, which provides for more permissive land use regulations than were in effect in 1986. However, these regulations are overridden by the existing Development Agreement on the subject property.

The owners have requested that the Development Agreement be discharged in order to allow the PC (Pinehill -Cobequid) Zone requirements to apply to the property. This will allow the owners to apply for an addition to the building which is intended to expand their stock room and receiving area.

It is the opinion of staff that the existing Development Agreement is inconsistent with the intent of the Sackville Drive MPS and LUB. Therefore, staff recommends that the existing Development Agreement be discharged and the Pinehill-Cobequid Zone standards be applied to the subject site. A discharging agreement is provided (Attachment A) for Council's approval.

Public Information Meeting: No public information meeting was held as the *Municipal Government Act* allows Council to discharge a development agreement through a notice of motion and no public participation process is required.

BUDGET IMPLICATIONS

The HRM costs associated with processing this planning application can be accommodated within the existing budget.

FINANCIAL MANAGEMENT POLICIES / BUSINESS PLAN

This report complies with the Municipality's Multi-Year Financial Strategy, the approved Operating, Capital and Reserve budgets, policies and procedures regarding withdrawals from the utilization of Capital and Operating reserves, as well as any relevant legislation.

ALTERNATIVES

1. Council could discharge the existing Development Agreement which would result in the property being subject to the Pinehill-Cobequid Zone standards. This is the recommended alternative.
1. Council could refuse to discharge the existing Development Agreement which would restrict the expansion of the existing building. This is not recommended for the reasons stated in this report.
