Dear Mayor Savage,

I write to you in my capacity as the Chair of the Economic Strategy Advisory Committee of the Halifax Partnership. As you know, the Partnership is about to embark on the process to develop for Council's consideration the next economic strategy for Halifax.

One of my early tasks as Chair is to assemble a dynamic committee capable of adding real value to the planning process. The response among people I've approached so far has been excellent - I think this is a testament to Halifax's very promising future, and your leadership and that of Council is no small part of that.

To help ensure as we develop the strategy, including the laying of the groundwork for successful implementation, I would like to name the Chair of the Community Planning and Economic Development to the Economic Strategy Advisory Committee, as well, I would also like to invite you to take a place on the Committee.

I look forward to hearing back from you on this matter of committee membership at your earliest convenience.

I am honoured to be in a position to help with this effort and very much looking forward to working with you as we build on the tremendous momentum and opportunity we have here in Halifax.

Sincerely,

Original Signed by

Matt Hebb, Chair
Economic Strategy Advisory Committee
Halifax Partnership
