BRIEFING FORM

SUBMITTED TO: Transportation Standing Committee

MANAGER'S APPROVAL: 

DATE OF MEETING: February 28, 2011

SUBJECT: Timelines for TDM Projects

ORIGIN

At the January, 2011 meeting of the Transportation Standing Committee the TDM Functional Plan was presented. The committee asked that a status update of the various components of the plan be provided.

RECOMMENDATION/ DECISION REQUIRED

None required.

BACKGROUND

Transportation Demand Management (TDM) includes programs that strive to reduce the volume of trips within the regional transportation network that use single-occupant vehicle. The TDM Functional Plan was a deliverable identified in the HRM Regional Plan.

ALTERNATIVES AND ASSOCIATED RISKS

Not applicable.

IMPACT/BENEFITS:

Not applicable.

COMMUNICATION ISSUES/OPPORTUNITIES:

The status of the TDM Functional Plan implementation will be posted and updated on www.halifax.ca.
