assorted video feeds

analyst work station #2

analyst work station #1

Decreasing the time from Intelligence to Action

The purpose of the RTCC is provide real time intelligence and analytical support to frontline members, both Patrol and Criminal Investigation Division.

The Centre will initially be staffed by:

- one full FTE HRP Crime Analyst
- an additional partial FTE RCMP analyst in fiscal 2015/16.
- and will be coordinated by HRP.

It will be located at 1874 Brunswick Street, the integrated CID building and is scheduled to open on February 1st, 2015.
