Dear Mr. & Mrs. Evans:

Re: Complaint - Litter and Debris from Killam Properties - Joffre Street

Thank you for bringing to HRM's attention the problem (i.e. litter and unsightliness) resulting from overflowing, open and/or inadequate servicing of the private refuse, recyclables and organic bins at the Killam Properties Inc. apartments on Joffre Street.

The improper storage of refuse, recyclables and/or organics, the failure for the materials to be (in a container) completely contained and/or keeping the area around the containers free from litter and debris, is contrary to HRM By-Law S-600, Section 13.

By copy of this letter, HRM Police, By-Law Enforcement, have been advised of the matter for the purpose of taking appropriate action to effect a remedy.

Yours very truly,
