Date of Community Council Meeting: November 3, 2005

Subject: Burnside City of Lakes Business Park- Councillor Smith

I would like to have Community Council ask for a staff report to review the provisions in the Dartmouth MPS and LUB concerning the City of Lakes Business Park regarding the intentions of the former City of Dartmouth and subsequently HRM . I will be asking that the report include recommendations around the Business Park boundaries and protection measurers for development within the boundaries.

As well I will ask HECC consider approval of a recommendation to Regional Council that an independent traffic study be conducted on all the development and lands east of Burnside Drive with the objective to determine the congruence of the present and future street systems with the City of Lakes Business Park.

Reason:

I would like this response as:

- Email to Mayor, Council and Municipal Clerk's Office
 Memo to Mayor, Council and Municipal Clerk's Office
 Information Report to Community Council Regional Council
 Recommendation Report to **Community Council** **Regional Council**

Date of HECC Meeting: November 3, 2005

Subject: HECC Agenda Item

Request:

Request to Staff to initiate process for re-zoning the HRM parcel of land near Dartmouth Sewage Treatment Plant, (formerly provincial land between the North Woodside Community Centre and the Reigh Allen Centre), from 'I' to 'P'.

Reason:

The Woodside community would like to proceed with this protective measure for public park space in light of significant loss of green space, as a result of the sewage treatment plant access driveway. The community would then like to proceed with a visionary process for possible development of parkland.

I would like this response as:

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to Community Council Regional Council
- Recommendation Report to Community Council Regional Council
