Just to confirm our conversation today Chris, and for the information of Councillor Johns, I'm **putting this item on the status sheet of North West Community Council**, and understand that you will be placing it on the agenda for the next North West Transit Advisory Committee meeting, which will probably be September. Kenny Silver has already been made aware of this as you'll note by my previous e-mail of May 30/05

At the May 26, 2005 meeting of North West Community Council, a motion was passed to request the NWTAC and staff to look at ways of providing transit service to the Lucasville Road area. I am forwarding the following extract for your information and follow up:

10.3.2 Councillor Johns - Transit for Lucasville

Councillor Johns requested Community Council's support is asking staff to review ways of servicing the Lucasville Road area through transit. He suggested that Route 83 which currently runs to Springfield Estates may be one option.

MOVED by Councillor Johns, seconded by Councillor Harvey that North West Community Council request staff and the North West Transit Advisory Committee to review ways of providing transit for the Lucasville Road area. MOTION PUT AND PASSED.
