Dear Councillor Johns:

Thank you for your letter of October 4, 2005, concerning a motion passed by the North West Community Council requesting the installation of signs that provide information regarding the naming of Bicentennial Drive, which occurred in 1958 in recognition of the Bicentennial of Representative Government in Nova Scotia.

I have referred the issue to Kenton Speiran, Manager of Public Works - Asset Management for investigation and have asked that he respond to you upon completion of his review of Council's request.

Thank you for bringing the concerns of North West Community Council to my attention.

With personal regards,
