

## Councillor Request for Information

**Agenda Item for**

**Halifax Regional Council, January 20, 2004**

**Subject: Identifying Neighbourhoods and Settlements for Community Signage**

---

**Request:**

Please have this item included on the agenda of the Halifax Regional Council meeting to be held on Tuesday, January 20, 2004.

**Reason:**

HRM Civic Addressing is currently working with communities for signage locations to identify communities for 911, mailing address and service delivery purposes.

Councillor Adams and I would like to also identify communities within our districts to reflect the heritage of these areas.

After meeting with HRM staff, it became apparent that a policy needs to be formulated to give Council a specific approach which is consistent throughout HRM and not detract from the Civic Addressing initiative.

I will be asking for a staff report on this issue.

**I would like this response as:**
