

Councillor Request for Information

Agenda Item for

Halifax Regional Council, March 23, 2004

Subject: PVC pipes for sewage hook ups/possible cross connection issues

Request:

Please have this item included on the agenda of the Halifax Regional Council meeting to be held on Tuesday, March 23, 2004

Reason:

I am requesting that Council endorse a letter to be sent to PVC pipe manufacturers, requesting the availability of colour coded pipes for sewage hook ups.

I would also like a staff person from either Technical and Underground Services or Planning & Development to be present to discuss this issue.
