Councillor Request for Information

Item to be Included on Agenda of the
Halifax Regional Council Meeting of November 9, 2004

Subject: Cross-Region Transit Service - Route 52

Request:

Please have this item included on the agenda of the Halifax Regional Council meeting to be held on Tuesday, November 9, 2004.

Reason:

At the meeting, I will speak on options available to Metro Transit in resolving the problems being experienced by persons using Route 52 which serves many Districts - from Mumford Road to Burnside. Apparently, this route is so popular and well traveled that the equipment allocated can no longer accommodate the ridership which has developed.

I will be requesting a staff report on the options, including acquisition of a larger bus through the Capital Budget, and the actions to be taken to accommodate these dedicated transit users.

I would like this response as:
