Date of Council Meeting: August 2, 2005

Subject: Air Travel Disruptions, Halifax International Airport - Impact on HRM

Request:

The above-noted item is for the August 2nd Regional Council Agenda.

Reason:

I will be proposing that Council ask the HIAA Board of Directors to consider the need for a protocol to address air traffic disruptions at Halifax International Airport for reasons which have been made evident recently. The recent flight delays and transportation issues have had an impact on those using the service, HRM in general, and underscored the need for a comprehensive protocol.

I would like this response as:

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to Community Council Regional Council
- Recommendation Report to Community Council Regional Council
