

Councillor Request for Information

X Included on Agenda

(Submitted to Municipal Clerk's Office
by Noon Thursday)

Added Item

(Submitted to Municipal Clerk's Office
by Noon Monday)

Date of Council Meeting: February 13, 2007

Subject: Needs Based Tendering / Life Cycle Costing

Request: Please add the above Item to the February 13th Regional Council Agenda.

Reason: I request staff examine the possibility of moving from vehicle, or type specific tendering, to needs based tendering for fleet vehicles. It appears that some vehicle tenders may be so specific as to not allow for wide competition and that occasionally, tenders may not reflect currently available products.

I also request staff examine, including in vehicle tenders, consideration for life cycle costs of given models, including fuel efficiency, and that more fuel efficient and lower life cycle cost vehicles, (maintainance, fuel, insurance, etc.), be given additional points in tender scores.

For both issues, I ask staff to advise Council what steps are being taken, and will be taken, to move in this direction.

I would like this response as:

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to Community Council Regional Council
- Recommendation Report to Community Council Regional Council
