**Added Item**

by Noon Monday)

**Date of Council Meeting: June 12, 2007**

**Subject: Little Albro Lake problems**

**Request:**

I would like the item "**Little Albro Lake problems**" added to the agenda. Little Albro Lake in District 9 is under attack by an alien plant called the Yellow Floating Heart. Each year the plant takes over more of the lake. Residents on the Lake want action taken to rid the lake of this foreign water plant. I would like a report from staff on what we can do to eradicate this plant and exploring the possibility of a partnership with the Province of Nova Scotia.

**Reason:**

I am very concerned that the negative affects of this plant on the Lake will render it unusable to the community.

**I would like this response as:**

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to  Community Council  Regional Council
- Recommendation Report to**  Community Council  **Regional Council**
