Date of Regional Council Meeting: June 12, 2007

Subject: MOUNT HOPE INTERCHANGE STATUS UPDATE

Request:

I would like to have this item on the agenda of the Regional Council Meeting to be held on Tuesday, June 12, 2007.

Reason:

I respectfully request a staff report on the status of the Mount Hope Interchange opening and its connection to Woodside Business Park. I am requesting the update because progress is being made in the Park and this connection is vital to the success of current and future opportunities. In a time when the park is losing industry like Moirs, we need to make sure that new business opportunities have every possible scenario for success. I believe the connection to the interchange is vital this. District 8 and HRM as a whole will benefit from the improvements from these highway improvements.

I would like this response as:

- Email to Mayor and/or Councillor/Municipal Clerk's Office
 Memo to Mayor and/or Councillor/Municipal Clerk's Office
 Information Report to Community Council **Regional Council**
 Recommendation Report to Community Council Regional Council
