**Date of Council Meeting: October 16, 2007; October 23, 2007**

**Subject: Fall River 118, 102 Interchange**

**Request:**

I am requesting that " Fall River 118, 102 Interchange" be placed on the Agenda of the October 16, 2007 Regional Council meeting. I am requesting that the Mayor contact the Province regarding the safety of this highway interchange. I am also requesting that staff conduct a traffic study on this interchange.

**Reason:**

I have received numerous calls reporting that this interchange poses a serious safety risk to motorists. It has been reported that there are lots of skid marks from trucks who travel at 100 km/hour, hit the crest of the hill before the exit and see 30 or more vehicles and must come a to sudden stop.

**I would like this response as:**

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to  Community Council  Regional Council
- Recommendation Report to  Community Council  Regional Council
