Date of Council Meeting: November 13, 2007

Subject: Temporary Sign By-Law

Request:

It has come to my attention with the recent enforcement of the approved Temporary Sign By-Law that there are some sandwich board signs that people find enhancing to the downtown that do not comply with the present provisions regarding sandwich boards located directly in front of businesses in the public right-of-way.

I would like staff to prepare a report outlining how this can be resolved, the issues and proposed amendments.

Reason:

I have received multiple inquiries from business owners regarding the Temporary Sign By-Law as it pertains to sandwich board advertising.

I would like this response as:
