DATE: November 22, 2007

SUBJECT: **Street Closure - Old Windsor Street, Halifax**

ORIGIN

A request from TPW, Municipal Operations - HRM Cemeteries, to close a portion of the Old Windsor Street right of way, Halifax.

RECOMMENDATION

It is recommended that Council:

- (i) authorize staff to set a date for a public hearing for consideration of HRM Administrative Order #SC-49 concerning the closure of the Old Windsor Street right of way, Halifax, as shown on Attachment "B";

BACKGROUND

This section of the Old Windsor Street right of way formerly known as Blue Bell Road, and was abandoned back in the 1920's when survey plans for the area showed the realignment of Windsor Street to its existing location. However, the old right of way was never extinguished.

DISCUSSION

The Old Windsor Street right of way, identified as Parcel OWS on Attachment 'A', was the former alignment of what is now known as Windsor Street. Parcel OWS runs from Windsor Street to Kempt Road, bypassing the Kempt and Windsor intersection, and is 32,837 sq. ft. in area.

Parcel OWS runs between PID 00019323, lands owned by St. Johns Cemetery Church Parochial Corp. of St. Johns, lands commonly known as the St. Johns Cemetery, and PID 00019273 (Lot WS), lands of the Halifax Regional Municipality which form part of the Fairview Lawn Cemetery.

Lot WS is the last available parcel of the Fairview Cemetery to be developed. HRM Cemetery Operations is presently developing this parcel for future burial plots. Once developed, the parcel will provide an additional 900 plots, which represents a significant revenue potential for HRM. However, during the process of developing this site, the survey plan revealed the existence of Parcel OWS, the former Old Windsor Street right of way. HRM Survey Services could not find any evidence that the old street right of way was ever officially closed.

SUMMARY TABLE	
Property Address	Old Windsor Street right of way - Parcel OWS
Site Area	32,837 sq. ft.
Zoning	P - Park and Institutional Zone
Owner	Halifax Regional Municipality
Conclusion	<ul style="list-style-type: none"> < At this time Council is being asked to formally close (or lift the old or abandoned street line) Old Windsor Street as shown on Attachment "A". In this instance, where the Public use of the right-of-way is being extinguished, a public hearing is required; < The closure would un-encumber Parcel OWS making it available to be developed with the adjoining HRM Lot WS for cemetery purposes; < The closure will also facilitate the sale of Parcel WS1 to St. Johns Cemetery, which was the subject of a previously approved report

BUDGET IMPLICATIONS

No budget implications. The cost to process this request can be completed within the approved budget. The budget implications of the sale of WS1 have been addressed in a previous Director's Approval Report dated June 13, 2006, entitled Land Exchange and Option to Purchase between HRM Fairview Cemetery and St. John's Cemetery, Kempt Road, Halifax.

FINANCIAL MANAGEMENT POLICIES / BUSINESS PLAN

This report complies with the Municipality's Multi-Year Financial Strategy, the approved Operating, Capital and Reserve budgets, policies and procedures regarding withdrawals from the utilization of Capital and Operating reserves, as well as any relevant legislation.

ALTERNATIVES

None.
