**Included on Agenda**

**T Added Item**

(Submitted to Municipal Clerk's Office  
by Noon Monday)

**Date of Council Meeting:** February 19, 2008

**Subject:** McNab's Island

**Request:**

I request that the above item be added to the agenda of the February 19, 2008 meeting of Regional Council.

**Reason:**

In response to the recent news regarding the demolition of Fort Hugonin and in support of the Friends of McNab's Island, I feel that it would be timely and appropriate to ask for a letter from the Mayor to DND, requesting that demolition be halted until options have been explored or that the tender be amended to remediation and possible removal of the top floor.

This area is a significant part of Halifax's history. It is important to preserve the historical value of this site.

**I would like this response as:**

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to                       Community Council                       Regional Council
- Recommendation Report to                       Community Council                       Regional Council
