**Date of Council Meeting:** June 10, 2008; June 17, 2008

**Subject: Environmental Issue - Old Cement Plant, Kearney Lake Road**

---

**Request:** I would like to request that this topic, "Environmental Issue - Old Cement Plant, Kearney Lake Road" be added to the June 10/08 Regional Council Agenda.

**Reason:** The old cement plant/former InterSupply building is currently for sale and the Kearney Lake Residents Association is very concerned about the possible repercussions of a sale and any subsequent development. The major concern, aside from the continuing run-off, is that when the property is sold & redeveloped, whatever is buried there could become an even greater hazard to the lake environment. Over the years a lot of garbage and equipment of unknown variety appears to have been buried under the concrete and sludge.

**I would like this response as:**

- Email to Mayor, Council and Municipal Clerk's Office  
 Memo to Mayor, Council and Municipal Clerk's Office  
 Information Report to  Community Council  Regional Council  
**/ Recommendation Report to**  Community Council **/ Regional Council**
