by Noon Monday)

Date of Council Meeting: July 8, 2008

Subject: Breeding Kennel Fees

Request:

I request that the above item be added to the agenda of the July 8, 2008 meeting of Regional Council.

Reason:

I have been contacted by the owners of a dog breeding kennel within my District. They have been operating this kennel for the past 30 years. There has always been a provision for a kennel license that they have complied with year after year. Since the approval of the new animal by-law they no longer need the permit, however, they are now at a huge disadvantage because the new by-law states that all dog owners will have to license their dogs at a greater cost, which for breeders could amount to several hundreds of dollars each year. This will cause undue hardship for them.

I am requesting that Council consider an amendment in an effort to assist these owners and those in similar circumstances.

I would like this response as:

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to Community Council Regional Council
- Recommendation Report to Community Council Regional Council
