Dear Sir/Madame:

Re: Request to present at the August 5, 2008 General Council Meeting

I am writing as chairperson of The Rocky Lake Development Association. The Association would like to present the status of its project to HRM City Council. We would like two 5 minute slots to present to Council and our speakers will be Barry Mason and Dan Sangster, Rocky Lake Development Association Board Members.

Please confirm that we will be given the opportunity to present to City Council on August 5, 2008.
