Date of Council Meeting: August 5, 2008; August 12, 2008

Subject: Street Lighting Policy - Private Roads

Request:

Please include this item on the agenda of the next Regional Council meeting to be held on Tuesday, August 5, 2008.

I would like to request an information report on the feasibility of including private roads in HRM's street lighting policy.

Reason:

I am receiving calls from residents in my district who live on private roads where there is no street lighting. These residents have safety and security concerns related to the lack of lighting.

I would like this response as:
