Your Worship,

Remembrance Day is a solemn occasion on which we have the privilege to honour those men and women who have served our country in wartime and have paid the ultimate sacrifice. 12 Wing Shearwater will be supporting services held at various locations in Dartmouth on 11 November 2008 by providing Cenotaph Vigils, Marching Contingents and Wreath Laying Parties.

In conjunction to these activities, it is planned to have a Sea King helicopter from 12 Wing conduct a fly-past of the Cenotaphs at the following locations: Eastern Passage, Cole Harbour and Sullivan's Pond. It is requested that HRM grant permission for 12 Wing Shearwater to fly a Sea King over the aforementioned locations in Dartmouth at an altitude of 500 feet above the highest obstacles. These fly-pasts would occur immediately following the fly-past of the Cenotaph at the Grand Parade in Halifax, between approximately 11:05 a.m. and 11:20 a.m. on 11 November 2008.

Sincerely,

*for* J.B Ploughman  
Colonel  
Wing Commander
