Meeting Date: **December 9, 2008**

Subject: Protection of View Planes - North West Arm

Request:

Please include this item on the agenda of the December 9, 2008 Regional Council Meeting.

Reason:

Currently there are no specific view plane provisions that protect the views of the North West Arm under existing planning policies. I would like the applicable Municipal Planning Strategies amended to include protection for specific view planes of the North West Arm. This initiative could be under taken by the Regional Planning implementation team and fall under the Harbour Plan portion.

I would like this response as:
