Date of Regional Council Meeting: January 13, 2008

Subject: Removal of recyclables from curb

Request:

Councillor Blumenthal has received calls from residents about recyclables being removed from blue bags at the curb and being replaced by non-recyclable items. When the residents contact HRM via the call centre, they have been told that this is the resident's responsibility, which contradicts with some information that says HRM owns the materials left on the curb.

Reason:

Councillor Blumenthal would like staff to investigate current policy and remove any ambiguity there currently is.

I would like this response as:

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to Community Council Regional Council
