Date of Council Meeting: January 27, 2009

Subject: Overnight Parking in HRM Owned Parking Lots

Request:

I am asking that staff be present at the Regional Council meeting on January 27th to provide an status update regarding the December 16, 2008 motion of Council which requested a staff report on the possibility of providing residential off-street parking during the winter parking ban in Districts 11, 12, and 14. I am also asking that staff indicate how residents of these areas will be notified if parking in HRM Parking Lots can be made available for this purpose.

Reason:

Due to the lack of affordable off street parking available in these districts, residents continue to struggle to comply with HRM's winter parking ban.

I would like this response as:

- Email to Mayor, Council and Municipal Clerk's Office
- Memo to Mayor, Council and Municipal Clerk's Office
- Information Report to Community Council Regional Council
- Recommendation Report to Community Council Regional Council
