INFORMATION REPORT

ORIGIN

Originates with staff.

BACKGROUND

The HRM Charter provides the broad framework within which policies authorizing the expenditure of public monies are developed, administered, and revised. Further, during a municipal, provincial, or federal election the Municipal Elections Act (1989), Nova Scotia Elections Act (1989), and the Canada Elections Act (2000) provide guidance specific to election campaign spending and the conduct of incumbents and candidates. In addition to legislation, the Halifax Regional Municipality monitors spending of public monies in accordance with the approved budget; both Capital and Operating. Specific policies and procedures are also in effect for specific types of reserve accounts, area rates accounts, and other spending accounts.

This guideline is meant to provide additional clarity for members of Halifax Regional Council taking part in a Federal, Provincial or Municipal election. It is not meant to restrict members of Halifax Regional Council in the performance of their ongoing duties on behalf of their constituents.

DISCUSSION

The “HRM Spending Guidelines during Municipal, Provincial and Federal Elections” (attached) is intended to guide expenditures where individual Councillors direct the specific allocation of funds to one degree or another. As always those expenditures must be in accordance with applicable legislation, HRM’s goals and priorities. The aim is to ensure that during a period of increased public scrutiny, either preceding or during an election for public office, clear guidelines are established to guide individual discretionary spending decisions as they relate to public funds to provide transparency in the event of allegations of conflict of interest. Further, the guidelines provide direction to senior staff regarding the identification and reporting of any proven spending irregularities.

Often an election occurs in the middle of a fiscal year, raising additional need for clarification. The nature of some of these funds is such that expenditures and commitments may cover multiple years and the timing of the expenditures may be concentrated during the construction season.

The Guidelines are attached.

BUDGET IMPLICATIONS

There are no budget implications associated with these guidelines, as these are spending guidelines on current approved budgets.

FINANCIAL MANAGEMENT POLICIES / BUSINESS PLAN

This report complies with the Municipality’s Multi-Year Financial Strategy, the approved Operating, Capital and Reserve budgets, policies and procedures regarding withdrawals from the utilization of Capital and Operating reserves, as well as any relevant legislation.

1. Context

The HRM Charter provides the broad framework within which policies authorizing the expenditure of public monies are developed, administered, and revised. Further, during a Municipal, Provincial, or Federal election the Municipal Elections Act (1989), Nova Scotia Elections Act (1989), and the Canada Elections Act (2000) provide guidance specific to election campaign spending and the conduct of incumbents and candidates. In addition to legislation, the Halifax Regional Municipality monitors spending of public monies in accordance with the approved budget; both Capital and Operating. Specific policies and procedures are also in effect for specific types of reserve accounts, area rates accounts, and other spending accounts.

This guideline is meant to provide additional clarity for members of Halifax Regional Council taking part in a Federal, Provincial or Municipal election. It is not meant to restrict members of Halifax Regional Council in the performance of their ongoing duties on behalf of their constituents.

2. Statement of Intent

The “HRM Spending Guidelines during Municipal, Provincial and Federal Elections” is intended to guide expenditures where individual Councillors direct the specific allocation of funds to one degree or another. - (ii) once a candidate is successful in a Provincial or Federal election, commitments or expenditures may not be made by the Member of Council during the time frame between their election victory and the swearing in date for their new area of representation be that a Provincial or Federal office. All remaining funds will be held for decision by the next councillor that will represent that district;
