Date of Council Meeting: August 11, 2009

Subject: Smoking Restrictions - HRM Parks , Playgrounds, and Sports Fields

Request: Please include this item on the Agenda for the Halifax Regional Council meeting to be held on Tuesday, August 11, 2009.

Reason:

This is a follow up to the motion which was passed by Halifax Regional Council on January 22, 2008 requesting a **“staff report on the possibility of HRM prohibiting smoking on HRM-owned recreation facilities where children are participating in activities.”**

I was advised several months ago that the staff member who was working on this report was going to be off on medical leave for a number of months, and I believe has since retired from HRM. I will be asking for an update on the status of this Council request from over 17 months ago. Who is now the lead on preparation of the report, and when will it be presented to Council?

I would like this response as:
