Dear Halifax Regional Council,

I'm requesting your acknowledgment of a potential fly-by by the Canadian Air Forces for an event we're hosting on October 5th, 2009. The event is a celebration of Alexander Keith's 214th Birthday; it will be located in the parking directly in front of the Keith's Brewery at Lower Water and Salter Street. We're expecting approximately 3500 guests to enjoy a concert, the 78th Highlanders, authentic east coast hospitality and Alexander Keith's Fine Beers. The fly-by would help to bring military presence to our event and increase the overall impact. The proposed aircraft that is available for this event is a Sea King Helicopter. The timing of the event is 5:30pm-10:30pm, during which time the fly-by could occur.

If you could provide a letter acknowledging this request it would be greatly appreciated. Feel free to contact me if you have any questions. Thank you for your time.

Sincerely,

Emily Peaker
