Added Item

(Submitted to Municipal Clerk's Office

Date of Council Meeting: April 26, 2005

Subject: Tree Cutting around N.S. Power Lines

Request: I would like to have the following Item included in the Regional Council Agenda for April 26, 2005: I will be requesting Mayor Kelly write a letter on behalf of Council to the President of N.S. Power, and Premier Hamm, opposing any expansion of the right-of-way for tree cutting around N.S. Power lines.

Reason: While Council is expecting a report in a few weeks on underground wiring, the recent announcement by N.S. Power of their intention to seek expansion of the right-of-way for tree cutting around power lines, is a detrimental move, for residents and the environment in HRM. At this time, it should be made known to N.S. Power and the government, that Council does not support that request.

I would like this response as:

- Email to Mayor and/or Councillor/Municipal Clerk's Office
- Memo to Mayor and/or Councillor/Municipal Clerk's Office
- Information Report to Community Council Regional Council
- Recommendation Report to Community Council Regional Council
