SUBJECT: **Noise By-Law Exemption - Alexander Keith's 215th Birthday Celebration - Block M, Lower Water Street, Halifax**

ORIGIN

An application (attached as Appendix A) submitted on July 5, 2010 by Sara Newman, Account Manager, Mosaic Experiential Marketing for Alexander Keith's 215th Birthday Celebration for exemption from provisions of By-Law N-200, Respecting Noise.

RECOMMENDATION

It is recommended that Regional Council approve the Alexander Keith's 215th Birthday Celebration application for noise exemption, pursuant to the contents of this report and any matters raised at the hearing.

BACKGROUND

In September, 1999 HRM Council adopted By-Law N-200, Respecting Noise. This By-Law prohibits any person from engaging in any activity that unreasonably disturbs or tends to disturb the peace and tranquillity of a neighbourhood.

Section 4 describes specific events, locations and time frames where certain activities have been deemed exempt from the provisions of the Noise By-Law.

Section 6 of the By-Law allows for any person to make an application to Regional Council requesting an exemption from any or all provisions of the Noise By-Law for which that person may be prosecuted. The By-Law states that an applicant or any person opposed to an application may be heard at a session of Council. Notice of the Council Session is required to be mailed to assessed property owners located within 100 feet of the property(ies) which is subject to the hearing.

In deciding whether or not to grant an exemption, Council is to give consideration to :

- the social or commercial benefit of the proposed activity to the municipality;
- the viewpoints of community residents;
- the proposed hours of operation of the proposed noise-emitting activity; and
- the proposed duration of the subject activity,

An excerpt from the Noise By-Law detailing the exemption process is attached as Appendix B.

DISCUSSION

An event is planned for Alexander Keith's 215th Birthday Celebration on October 5th from 7:00pm to 10:00pm.

An application for exemption from the Noise By-Law has been submitted by Sara Newman, Account Manager Mosaic Experiential Marketing. The application details the following time frames:

- set up time running from Sunday October 3rd from 5:00pm to 11:00pm through Monday Oct 4th from 7:00am to 10:00 pm
- equipment Sound Check is scheduled for Monday Oct 4th from 7:00pm to 9:00pm
- set up work will continue Wednesday October 5th from 7:00am to 12:00 midnight
- the event will be held from 5:00pm to 10:00pm
- tear down and clean up will commence following the event until 7:00am October 6th

The applicant is requesting an exemption to the By-Law as the set up, tear down and amplified music will conflict with the following provision of By-Law N-200, Respecting Noise:

Section 3, Part 1 states:

“No person shall engage in any activity that unreasonably disturbs or tends to disturb the peace and tranquillity of a neighbourhood”

Halifax Regional Police does not have any concerns regarding this application.

Notices of the time, date and purpose of the Council Session at which the hearing is proposed to take place to property owners within 100 feet of each designated site identified above is complete.

Under subsections 6(3) and (5) of the Noise By-Law, Council may consider any matters it deems appropriate at the hearing and either reject an application or approve it with or without conditions.
