9 Request from the Floor

Date of Council Meeting: September 14, 2010

Subject: Smoking in Parks

Motion for Council to Consider:

Request for staff report updating the status of the plan of action, with timelines, for installation of signage in HRM parks and playgrounds.

Reason:

Several months after Council approved the proposed policy requiring that all HRM owned and administered outdoor recreation facilities where children are participating in activities be free of smoking and tobacco product uses, there are a number of areas without signage.

Outcome Sought:

Installation of signage at HRM facilities where tobacco use is prohibited.
