Heritage Property Act

Planning Services

Section 16 (1) De-registration of municipal heritage property

On the application of an owner of a municipal heritage property or on its own motion, the council may deregister a municipal heritage property where:

- (a) the property has been destroyed or damaged by any cause; or
- (b) the continued registration of the property appears to the council to be inappropriate, after holding a public hearing to consider the proposed deregistration.

Recommendation

Planning Services

On September 8th the Heritage Advisory Committee reviewed the request for de-registration and forwarded a positive recommendation to Regional Council.
