Your Worship:

The town of North Preston will be celebrating North Preston Days on the 13<sup>th</sup> of August 2011. Joint Task Force Atlantic takes great pride in being part of the Halifax community and would like to participate in the festivities. As part of JTFA's contribution we would like to fly a Sea King from Shearwater into the North Preston Community Centre parking lot and set up the aircraft for display.

It is respectfully requested that the Halifax Regional Municipality grant permission for the Sea King to fly over the city at an altitude of no less than 500 feet above the highest obstacles, as the Aircraft would be flying into Preston at 11:10 a.m. and following the parade route, landing at the community centre at 11:25.

My staff would be pleased to provide any further information you may require, please do not hesitate to contact the planning officer for the event, Mike Bonin at 721-1968 or via email at [mike.bonin@forces.gc.ca](mailto:mike.bonin@forces.gc.ca).

We appreciate the support we have received from the Halifax Regional Municipality over the years and consider this an opportunity to give back and continue our strong and positive relationship with HRM.

Yours truly,
