Dear Mayor Kelly:

The Cole Harbour Harvest Festival organizing committee is excited to be planning our fourth annual Cole Harbour Harvest Festival, scheduled for September 9th and 10th, 2011. We have a wide variety of exciting and entertaining events lined up that will appeal to all members of our community. The Canadian Military has always been a strong component of Cole Harbour, and this year we would like to acknowledge the importance of this group by arranging for a flypast of an aircraft or helicopter from 12 Wing Shearwater to coincide with the opening of our festival on September 10th.

In this regard, I am writing to request your permission for the Cole Harbour Harvest Festival Society to submit an application for a flypast to the Canadian Air Force. It is my understanding that should you grant this permission, we will then apply to the Air Force, and if they are in agreement, we would then require a motion of Council for final approval.

On behalf of the Cole Harbour Harvest Festival Society, I want to express our appreciation for your past attendance at our festival, and thank you for your attention to this matter. We look forward to hearing from you.

Sincerely,

A handwritten signature in cursive script that reads "Jim Nicoll".
