**Date of Council Meeting: September 13, 2011**

**Subject: Public Passageway to Terence Bay Lighthouse**

**Motion for Council to Consider:**

That Regional Council request that staff consider options for securing public access to the beach and lighthouse at Terence Bay and that they bring a recommended approach back to Regional Council.

**Reason:**

There is no such public access to the beach and lighthouse at Terence Bay. The existing federally owned easement is only to access the lighthouse for maintenance purposes. This easement is expected to be distinguished consequential to the planned ending of federal responsibility for this lighthouse.

**Outcome Sought:**

Support of Regional Council for a staff recommendation.
