

Proclamation

Movember November 2011

WHEREAS Men in Canada have a 1 in 7 chance of getting prostate cancer.

There will be over 25,000 new cases diagnosed in 2011 alone, threatening the health of fathers, sons, brothers, uncles, boyfriends and husbands across Canada and the world.

Despite these facts the cure rates of prostate cancer are 90% if caught in time. This makes awareness and early detection critical. Being responsible for your health at every age and getting checked for Prostate Cancer from the age of 40 helps to keep you at your best.

Movember is working to raise awareness for men's health, specifically prostate cancer, by putting it on the agenda of all residents. Movember encourages men to grow a moustache for 30 days during Movember in aid of this. Together with the women who support them, these fine Mo Bros and Mo Sistas start conversations about men's health, raise much needed funds and dedicate themselves to the appreciation of fine moustachery.

THEREFORE BE IT RESOLVED THAT, I, Mayor Peter Kelly, on behalf of Halifax Regional Council, do hereby proclaim the month of November as "Movember" in the Halifax Regional Municipality.

Peter Kelly
Mayor

A blue ink signature of Peter Kelly, Mayor of Halifax Regional Municipality, is written over a horizontal line. The signature is stylized and includes a large loop at the end.
