**Date of Council Meeting: October 25, 2011**

**Subject: Western Common Advisory Committee**

Last year Regional Council approved the establishment of the Western Common Wilderness Park. The community committee which worked on the proposed phasing of the park did contemplate that Council give consideration to an advisory volunteer committee to assist HRM staff.

On a practical note and in the interests of expediency a year later, one of the working models for such committee oversight which may have merit is the existing terms of reference for the Point Pleasant Park Advisory Committee.

**Motion for Council to Consider:**

That Regional Council request a staff report to advise on the merit of the implementation of an advisory committee for the Western Common Wilderness Park.

**Outcome Sought:**

Staff report outlining option for the implementation of an advisory committee for the Western Common Wilderness Park.
