**Subject:** Request for Permission to Conduct Sea King Fly Pasts in November 2011

Good Day,

In November, 12 Wing has been asked to conduct three fly pasts in support of events dealing with Veterans and Remembrance Day. These events are to honour those men and women who have served our country in wartime and have paid the ultimate sacrifice, and/or these events are to garner support for those who have recently served in war zones. A list of the request for fly pasts are as follows:

- 1) 4 Nov 11, 1730hrs - True Patriot Love Foundation Fly Past. This fly past is in support of a dinner being held by the True Patriot Love Foundation and will occur along the harbour front at the Cunard Centre, Pier 23 where HMCS VILLE DE QUEBEC will also be berthed. The True Patriot Love is a national foundation that supports and honours members of the Canadian military and their families. It was founded by a group of citizens dedicated to building bridges between Canadian civilians and their military, in order better understand and appreciate the sacrifices of soldiers and their families. In celebrating the patriotism of military families, the foundation also strives to inspire Canadians to serve their country, whether it's in or out of uniform.
- 2) 7 Nov 11, 1430-1630hrs - Unveiling of the Afghanistan Monument - This fly past is in support on the unveiling of a monument to the soldiers who served in Afghanistan, and is being conducted in Shearwater.
- 3) 11 Nov 11, 1102hrs - HRM Remembrance Day Ceremony Fly Past - In addition to supporting services being held at various locations in the Halifax Regional Municipality on 11 November 2011 by providing Cenotaph vigils, marching contingents and wreath laying Parties, 12 Wing would also like to conduct fly pasts to further support these Ceremonies. The fly pasts would commenced at the Cenotaph located at Halifax Grand Parade, and then proceed to the Cenotaphs at Eastern Passage, Cole Harbour, Sullivan's Pond and Clayton Park. These fly-pasts would occur between 1102hrs and 1110hrs

It is requested that Halifax Regional Municipality grant permission for 12 Wing Shearwater to fly a Sea King over the locations and dates listed above at an altitude of 500 feet above the highest obstacle.

Thank you for your support
