Date of Council Meeting: November 8, 2011		
Subject: Policy Change- On Street Parking Permits		
Motion for Council to Consider: Regional Council request staff to amend the On Street Parking Policy to state that if a residential street contains "No Parking" on both sides that the abutting property owner/renter may apply for Permit Parking on a surrounding street pending availability and confirmation by staff.		
Reason: Property owners/renters who reside on a street with No Parking are without options for parking in their neighborhood.		
Outcome Sought: Amendments made to On Street Parking Policy
