HRMSmartTrip.ca is a state of the art ridematching system that allows commuters to quickly and securely find carpool partners.

The system matches people based on proximity to origin and destination points and travel route as well as similar working hours and compatible carpooling preferences.

HRMSmartTrip.ca is FREE to use. It's secure. It's easy. It's fast.

A matchlist is returned instantly when you search for carpool partners. No personal information is released to potential matches. Simply email the individuals on your matchlist and then it's up to you to discuss the arrangements so that your new carpool will work for you!
